1. Do good; See good;
   Be good; God love the good;

2. Start the Day with love;
   Spend the Day with love;
   Fill the Day with love;
   This is the way to God.

3, Duty, without love, is deplorable.
   Duty, with love, is desirable,
   Love, with Duty is Divine.

4. Act as you speak, Speak as you feel,
   Make thought, word and deed agree - - -
   This is the path of Truth.

   The Name of God is the fountain of Energy;
   The Spring of Joy, It is life giving Nectar.
   Recite the Name, the Named will be before you.
   Picture the Named and the Name will leap to your lips.

5. Life is a flight of steps towards the Godhead.
   You have your foot on the first step, when you are born; each day is a step that must be climbed; so be steady, watchful, and earnest. Do not count the steps ahead or exult ever the steps already climbed. One step at a time and that well climbed is enough success to delight.

6. All are your fellow-passengers, your travellers-not only brother man, but, brother brute, brother plant, not only brother the good but, brother the evil, brother the spiritual, and brother the wicked. All are in the same stream hurrying towards Infinite Freedom.

7. Anger malice, greed, envy all these are obstacles in the path of Love. They lower man from the Divine to the animal level. Bear with others, patiently and with understanding. Practice Sadhana and sympathy. Try to discover points of contact, not conflict. Spread brotherliness through compassion and deepen compassion through knowledge.
